All CE's of Comd

RECOGNITION OF QUALITY WK BY MES CONTRACTORS

1. Of late, CE Zones in their monthly DOs are highlighting not only delayed wks but also instances where apprec letters have been recd from users for wks well done and finished in time with requisite quality by our execs and contractors.
2. To ensure that quality of wks and wk consciousness is enhanced amongst the MES contractors, it would be in order to acknowledge and felicitate contractors who achieve this unique distinction. It is proposed to put into place procedures to do so not only at Comd level but at the level of E-in-C's Branch also.
3. The ideal forum which can be utilized for this activity is the MES BAI Meet held at Local, Regional and National level. Deserving contractors as deemed fit for this recognition upto 'B' class (E to B) may be felicitated by Zonal CEs at the Local Chapter Meets; 'A' & 'S' class contractors at Regional MES BAI Meet by CE Comd and for SS class by the E-in-C/DGW at the National/All India Annual meet. Alternatively, the felicitation may be done as part of Corps Day events.

4. A fool proof system will however have to be evolved to ensure that only true merit gets recognized ; Comd level BOO may be ordered/SOP evolved for initiating this system. In the case of SS class contractors and high value projects (Rs 25 Cr & above), specific recommendation of CE Comd himself will be endorsed for consideration by the E-in-C. This will be followed by vis to the completed wk by nominated rep from the E-in-C Branch and Comd rep in whose AOR the wk has been completed.
