Dear Sir,

As you know we are sending circulars of NITs/Minutes of Meetings/ Important policy letters through post (hard copy). It is normally noticed that the information reached late. We are also using lot of papers on the cost of our environment. Being the era of digitisation, it is desired that all the information must reach to the members immediately/timely therefore it is proposed to send information on Whats App/E-mail/SMS.

You are therefore, requested to collect the following data from your all members and send the same to this office to enable us to send the information through digital mode and save the trees/environment for our future generations.
